" We All Need a Band-Aid Sometime in Our Lives "

Mission:

Max's Emergency Relief & Resource Fund is a one time only, \$500.00 grant (\$1,000 when funds are available) to assist **only** self employed artists who have a steady work history, but who are experiencing a temporary financial set back. MKC assistance is designed to resolve this short term crisis, whatever it may be, and the applicant will again gain employment in the near future. Individuals seeking assistance must be residents of New York State. Exceptions are made in some cases if applicant is affiliated with Max's Kansas City. Applicants whose arrears are so serious that assistance will not allow them relief from their difficulties are not eligible for assistance. Please be specific as to what bill the grant is needed for. Grants of financial assistance do not go to the applicant. Payment goes directly to creditor/third party. Please note, although MKC Emergency Grant does cover medical bills, it does not cover psychotherapy costs unless the psychotherapist is an MD. MKC only covers housing, medical and legal aid.

Incomplete grant applications will not be considered
